

WRH20106 **CERTIFICATE II** IN HAIRDRESSING

Headmasters Academy offers students the opportunity to commence their training in the exciting and rewarding hairdressing industry while still at secondary school through our VCAL/VET Program.

The program is a pre-vocational course that allows students in years 11-12 to undertake a senior learning program with a vocational emphasis on Hairdressing.

The course combines an accredited curriculum consisting of VCAL, VCE and VET units which enables students to gain credit towards their VCE whilst pursuing their interest in Hairdressing.

Headmasters delivers the vocational component of the course one day a week and the VCE and VCAL units are undertaken in the school.

OUTCOMES

- On successful completion of the one year program students will receive an nationally recognised WRH20106 Certificate II in Hairdressing
